Special Announcement

The Pride of Rural Virginia

A grant-funded initiative to address LGBTQIA+ health & healthcare priorities in rural areas across Virginia.

Virtual Kick-off Celebration

June 12th, 2021  1–2:30 pm EST

Join community members and health providers from around the state to learn more about the Pride of Rural Virginia project and how to attend a chat in your area!

Register Here!

Who Should Participate

Folks who are excited to improve health access, quality of care, and resources for the LGBTQIA+ community, including:
• Folks that identify as LGBTQIA+
• Folks that are in solidarity with the LGBTQIA+ community or identify as an ally/advocate
• Health providers that identify as LGBTQIA+ and/or want to stand in solidarity with the LGBTQIA+ community

The purpose of this project is to elevate the knowledge and ideas of the LGBTQIA+ community. We also welcome folks that want to support the community.

It is important to note that these are “action forward” conversations. Therefore, if your response to this project is “about time,” “I've been doing this work and want to help out” or “I've been searching for opportunities to get involved” - welcome!

Special Thanks To Our Partners:
