

UNDERSTANDING MIGRANT HEALTH IN VIRGINIA: FROM KNOWLEDGE TO PRACTICE TO BETTER CARE

FREE VIRTUAL WEBINAR

WEDNESDAY, OCT. 12, 2022, 6:00-7:30PM

DISCUSSION & INSIGHT

This webinar will highlight the work of organizations focused on improving the health and quality of life of the Hispanic/Latino migrant population in Virginia. Attendees will learn about the health experiences, barriers to care, and the best practices that current and future health professionals can implement to better serve their community.
