**Virginia News**

**Applications for the 2023 Virginia Rural Leadership Institute are Now Open!**

The Virginia Rural Leadership Institute (VRLI) is an initiative put forward by the Virginia Rural Center. It is the first and only program in the Commonwealth that focuses entirely on retaining and attracting rural Virginians, by developing leaders who are innovative, responsible, civic minded and build strong regional communities.

Over the course of four sessions, Cohort Members will receive professional leadership and economic development training that equips community leaders with the skills they need to lead long-term economic advancement in their community and region. The program also seeks to increase cooperation, collaboration, and coordination across a broad array of organizations and sectors. **Applications are due March 2nd.**

**APPLY HERE**

**Shoutout to our VRHA members who are VRLI graduates!**

**Dr. Jim Werth**  
CEO, Tri-Area Community Health

**Wendy Welch, PhD**  
Executive Director, SWVAGMEC

**Legislative Alert**

The following bills have been introduced which may have an impact on rural health:

**HB 2397** Emergency medical services; hospitals; mandatory reporting of controlled substance overdoses.

Requires emergency medical services agencies and providers and hospitals to report incidents where a person is treated and released in response to a suspected or actual controlled substance overdose. The bill requires reporting to the Department of Health through an established overdose mapping program within 120 hours of the incident.

**HB 2374** Prescriptions; telemedicine; refusal to fill prescription from telemedicine provider; prohibition.

Prohibits pharmacists from refusing to fill prescriptions solely on the basis of a prescriber's use of a telemedicine platform to provide services.

**HB 2183 Nurse practitioners; practice authority upon licensure.**

Removes the requirement that nurse practitioners, other than a nurse practitioner licensed by the Boards of Medicine and Nursing in the category of certified nurse midwife, certified registered nurse anesthetist, or clinical nurse specialist, who meet certain conditions may practice without a practice agreement only if they have completed the equivalent of at least five years of full-time clinical experience as a licensed nurse practitioner.

**HB 2192 Department of Behavioral Health and Developmental Services: Catawba Hospital; substance abuse.**

Directs the Department of Behavioral Health and Developmental Services to transform Catawba Hospital into a state-of-the-art facility at which a continuum of substance abuse treatment and recovery services is provided in addition to the array of behavioral health and other services currently provided to geriatric individuals in need of mental health care.

**SB 1339 Certified nursing facilities; minimum staffing standards, administrative sanctions.**

Sets nursing staffing requirements for certified nursing facilities, imposes administrative sanctions on a certified nursing facility if it does not comply with the staffing requirements, and provides for exemptions to the administrative sanctions under certain circumstances.

**SB 948 Pharmacist scope of practice; initiation of treatment for certain diseases and conditions.**

Allows pharmacists to initiate treatment with, dispense, or administer controlled substances or devices for treatment of Group A Streptococcus infection, influenza virus infection, and urinary tract infection to persons 18 years of age or older or persons otherwise authorize to consent with whom the pharmacist has a bona fide pharmacist-patient relationship in accordance with regulations set forth by the Board of Pharmacy.

**HB 2430 Produce Rx Program; established, report.**

Directs the Department of Social Services to establish a Produce Rx Program as a three-year pilot program to incentivize consumption of qualifying fruits and vegetables by eligible individuals for whom increased consumption of fruits and vegetables is recommended by a qualified care provider.

**HB 2435 Hospital price transparency; enforcement, plans of correction, civil penalty.**

Grants the Department of Health authority to impose a plan of correction on hospitals that fail to comply with hospital price transparency requirements.

- NRHA Comments

Calendar

Unite Virginia Community Session
January 25, 2023   12:00 pm - 1:30 pm   Martinsville, VA

Learn how coordinated care networks of health & social service providers are essential to creating a healthier community. Will discuss how a cross-sector collaboration software, Unite Us, can help address the needs of those experiencing substance use disorder in the West Piedmont area. Lunch will be provided to those who register.

Black Americans in Recovery: Addressing Racial Challenges in Addiction Treatment
February 16, 2023   12:00 pm - 1:00 pm   Virtual

Research shows long-held stereotypes about race and addiction are impacting access to treatment and patient outcomes. It is critical for the behavioral health community to discuss these differences. Join Jacole Spriggs, BrightView Health’s Chief Nursing Officer, as she leads a discussion that identifies key components of this issue to improve recovery outcomes for all patients.

Exploring Maternal Health Research
March 8, 2023   1:00 pm   Virtual

Intro to HealthLandscape’s maternal health-focused mapping tools. Will review the Maternal Health Workforce Mapper, which explores geographic distribution of maternal
health care providers at state & county level, & the Maternal Health Mapper, which includes county-level data on maternity care deserts, maternal/infant health, & social determinants.

**Resources**

**Filling the Gaps in the Behavioral Health Workforce**

Discusses the shortage of licensed behavioral health workers in rural and underserved communities. Explores the roles of behavioral health support specialists (BHSS) and community-initiated care (CIC) to support licensed behavioral health professionals. Offers policy recommendations to strengthen the roles of the non-clinical workforce.

**Health Workforce Footprint Map**

Interactive mapping application providing a comprehensive view of Bureau of Health Workforce (BHW) assets, including BHW program sites, in-service BHW program participants, submitted eligible BHW applications, Health Professional Shortage Areas, and other health workforce datasets. Key data sets are updated daily.

**Rural Resource Guide: Affordable Housing and Recovery in Rural Communities**

Provides an overview on federal regulations related to housing applicants with substance use disorder (SUD) and/or criminal charges. Reports on housing programs provided by Housing and Urban Development (HUD), the Internal Revenue Service (IRS), and the United States Department of Agriculture (USDA). Discusses affordable housing in rural areas as a necessary component in SUD recovery.

**Access to Emergency Medical Services in Rural Communities: Policy Brief and Recommendations to the Secretary**

Provides an overview of issues related to the provision of emergency medical services (EMS) in rural areas. Discusses rural EMS access, financing, and workforce challenges, as well as promising telehealth innovations. Outlines federal programs and resources that support EMS programs. Offers policy recommendations related to access to EMS, workforce, and reimbursement.
Funding Opportunities

American College of Lifestyle Medicine HEAL Scholarship Program *NEW*

A scholarship for clinicians who are underrepresented in medicine to assist with the costs associated with attaining education and certification in lifestyle medicine.

Application Deadline: March 1, 2023

A Strategic Approach to Advancing Health Equity for Priority Populations with or at Risk for Diabetes *NEW*

Funding for evidence-based interventions to decrease risk for type 2 diabetes among adults with prediabetes and improve self-care practices, quality of care, and early detection of complications among people with diabetes.

Application Deadline: March 7, 2023

Investments Supporting Partnerships In Recovery Ecosystems (INSPIRE) *NEW*

INSPIRE is an initiative addressing the substance use disorder crisis by creating or expanding a recovery ecosystem that will lead to workforce entry or re-entry. Successful projects will support post-treatment to employment continuum, which could include investments in healthcare networks that support substance abuse recovery professionals, recovery-focused job training programs, as well as initiatives designed to coordinate recovery services and training that support the recovery ecosystem.

Application Deadline: March 17, 2023

Grants for the Benefit of Homeless Individuals (GBHI) *NEW*

Grants to support the development and/or expansion of local implementation of a community infrastructure that integrates behavioral health treatment and services for substance use disorders and co-occurring mental and substance use disorders, permanent housing, and other critical services for individuals and families experiencing homelessness.

Application Deadline: March 20, 2023

Linking Actions for Unmet Needs in Children's Health Grant Program *NEW*
Grants to promote the wellness of young children from birth to 8 years by addressing the physical, social, emotional, cognitive, and behavioral aspects of their development to ensure children are thriving in safe, supportive environments, and entering school ready to learn and able to succeed. Projects should work to advance equity for all, and to identify racial, ethnic, sexual and gender minority, and rural populations at highest risk for experiencing behavioral health disparities.

**Application Deadline: March 20, 2023**

**Nurse Corps Loan Repayment Program**

Loan repayment assistance for registered nurses, nurse practitioners, advanced practice nurses, and nursing school faculty who agree to work at a Critical Shortage Facility or an eligible school of nursing.

**Application Deadline: February 23, 2023**

**Hillman Innovation Programs**

Grants to accelerate the development of creative nursing-driven interventions that will improve the health and healthcare of marginalized populations.

**Letter of Intent (Required): February 28, 2023**

**Application Deadline: Varies**

**Lesbian Health Fund 2023 Grant Call**

Graduate students, postdoctoral fellows, and junior faculty interested in pursuing a research career focused on LGBTQ+ women or girls are invited to apply. Senior scholars, faculty, and non-profit organizations interested in expanding their program of research into this population are also welcome to apply.

**Application Deadline: February 28, 2022**

**HHS COVID-19 and Health Equity Impact Fellowship**

A mentored fellowship opportunity located in Washington, D.C. to conduct policy research and participate in quantitative data analyses on topics such as social determinants of health; health equity; access to healthcare services for at risk populations; and analyzing the impact of the COVID-19 pandemic on emergency care services, maternity care, and/or the HIV population.

**Application Deadline: March 1, 2023**
Research Centers in Minority Institutions (U54)

Grants to institutions that offer doctorate degrees in the health professions or in a health-related science and have a historical and current commitment to educating underrepresented students, and for institutions that provide clinical services to medically underserved communities.

**Application Deadline: March 1, 2023**

Weyerhaeuser Youth Initiative

Funding for new direct service programs designed to promote resilience, stability, and psycho-social health for youth ages 14 to 21 who have been traumatized by Adverse Childhood Experiences.

**Letter of Intent (Required): March 1, 2023**  
**Application Deadline: August 1, 2023**

Dental Faculty Loan Repayment Program

Funding to establish a dental faculty loan repayment program with a priority for faculty within the disciplines of general dentistry, pediatric dentistry, public health dentistry, and dental hygiene. Additional preference will be given to applicants providing loan repayment to pediatric dentistry faculty supervising dental students or residents and providing clinical services in dental clinics located in dental schools, hospitals, and community-based affiliated sites. Applicants are also encouraged to consider individual loan repayment recipients from rural and disadvantaged background and from underrepresented minorities.

**Application Deadline: March 3, 2023**

Training and Services to End Violence Against Individuals with Disabilities and Deaf People

Grants to support multidisciplinary collaborative teams that offer services and support to individuals with disabilities and deaf individuals who have been victims of sexual assault, domestic violence, dating violence, and stalking.

**Application Deadline: March 6, 2023**

Offender Reentry Program

Grants to expand substance use disorder (SUD) treatment and related recovery and reentry services to sentenced adult offenders/ex-offenders with a SUD and/or co-
occurring substance use and mental disorders, who are returning to their families and community from incarceration.

**Application Deadline: March 6, 2023**

**Grants to Expand Substance Abuse Treatment Capacity in Adult and Family Treatment Drug Courts**

Grants to enhance and expand substance use disorder treatment services in existing drug courts, recognizing the need for treatment instead of incarceration for individuals with substance use disorders.

**Application Deadline: March 6, 2023**

**Medication Assisted Treatment - Prescription Drug and Opioid Addiction**

Funding to expand or enhance access to medication assisted treatment services for individuals with opioid use disorder.

**Application Deadline: March 7, 2023**

**Rural Communities Opioid Response Program - Neonatal Abstinence Syndrome**

Grants for projects designed to reduce the incidence and impact of Neonatal Abstinence Syndrome in rural communities by improving systems of care, family supports, and social determinants of health.

**Application Deadline: March 8, 2023**

**Ryan White HIV/AIDS Program Part F Dental Reimbursement Program**

Funding designed to improve access to oral healthcare services for low income people with HIV, and to train dental students, dental hygiene students, and dental residents to deliver dental care to people with HIV.

**Application Deadline: March 10, 2023**

**Nizar N. Oweida, MD, FACS, Scholarship of the American College of Surgeons**

A scholarship for surgeons in small towns and rural communities to either: (1) attend the American College of Surgeons Clinical Congress; (2) travel and attend training; or (3) conduct research to improve performance as a rural surgeon.
Robert Wood Johnson Foundation Change Leadership Programs

Change leadership programs are designed by the Robert Wood Johnson Foundation to extend the influence and impact of leaders working to build a Culture of Health.

Application Deadline: March 15, 2023

Health Services Research on Minority Health and Health Disparities

For health services research that can directly contribute to the improvement of minority health and/or the reduction of health disparities, while taking into consideration the interaction between system-level healthcare, individual clinical care and social determinants of health, including the role of structural systemic factors, place and neighborhood factors. Focuses on services provided in the healthcare setting where individuals from health disparity populations seek care with a clinician for preventive services, chronic disease management, urgent symptomatic care, emergency care, and hospital care.

Application Deadline: March 27, 2023

The Workers Lab: Innovation Fund

The Workers Lab seeks innovators with early-stage ideas centered around making the ways the U.S. serves workers more modern and inclusive. Up to six fellows will be selected to participate in a 4-month program providing training, mentorship, and customized support to bring their idea to life and set them up for larger-scale investment.

Application Deadline: March 27, 2023

Environmental Justice Collaborative Problem-Solving Cooperative Agreement Program

Funding to support community-based organizations to use the EPA Environmental Justice Collaborative Problem-Solving Model to develop and implement community-driven solutions that address environmental and/or public health issues for underserved communities. Special consideration will be given to projects located in rural areas.

Application Deadline: April 10, 2023

Virginia Behavioral Health Student Loan Repayment Program
Annual $1.6 million fund established by the Virginia General Assembly in 2021 to help recruit and retain behavioral health professionals to practice in underserved areas of the Commonwealth or to provide counseling and treatment to underserved populations. The program will repay a portion of eligible professionals’ student loan debt. In return, recipients commit to practicing in Virginia for a minimum of two years at an eligible site.

**Application Deadline: April 15, 2023**

**AgriSafe Nurse Scholar Program**

A distance learning opportunity available to rural nurses designed to increase knowledge base in prevention, identification, and assessment of diseases related to agricultural work exposures. A 50% scholarship is available for nurses working in nonprofit organizations, Rural Health Clinics, Federally Qualified Health Centers, government agencies, and educational institutions. A full scholarship is available for nurses from Illinois and for nurses from Missouri that work in Rural Health Clinics, government agencies, academia, and nonprofit organizations.

**Application Deadline: May 15, 2023**

**David W. and Sandra L.R. Boyes Physician Education Scholarship**

Scholarship for health professionals and specialists working on continuing education in the field of gerontology. Special consideration is given to applicants who currently practice or plan to practice in rural Virginia or southern Appalachian areas.

**Application Deadline: June 1, 2023**

**AHRQ Small Research Grant Program (R03)**

Supports different types of health services research projects, including pilot and feasibility studies; secondary analysis of existing data; small, self-contained research projects; development of research methodology; and development of new research technology.

**Application Deadline: July 8, 2023**

**AHRQ Health Services Research Projects (R01)**

Support for specified health services research projects related to AHRQ's mission to produce evidence to make healthcare safer, higher quality, more accessible, equitable, and affordable. AHRQ's priorities include an interest in rural and frontier healthcare delivery.

**Application Deadline: July 8, 2023**
**Virginia Conrad 30 J-1 Visa Waiver Program**

Offers a J-1 Visa waiver to foreign physicians who commit to serving for 3 years in an underserved area of Virginia, allowing them to remain in the United States.

**Application Deadline: August 31, 2023**

**Long-Term Effects of Disasters on Health Care Systems Serving Health Disparity Populations (R01- Clinical Trial Optional)**

Grants for research focused on understanding the long-term effects of natural and/or human-made disasters on healthcare systems serving health disparity populations. Health disparity populations include, but are not limited to, American Indians, Alaska Natives, and underserved rural populations.

**Application Deadline: September 7, 2023**

**Notice of Special Interest: Advancing the Science of Geriatric Palliative Care**

Notice of Special Interest to encourage research focused on palliative care in geriatric populations. Studies may take place in a variety of settings including hospitals, post-acute care settings, outpatient clinics, doctors' offices, homes and other residential settings, long-term care facilities, hospices, and other healthcare or community settings. Research in disparity populations and in rural/remote settings is encouraged.

**Application Deadline: September 8, 2023**

**Tobacco Control Policies to Promote Health Equity (R01 and R21 Clinical Trial Optional)**

Funding for observational or intervention research focused on reducing disparities in tobacco use and secondhand smoke exposure. Populations of focus include older individuals, black Americans, Hispanics, people with low socioeconomic status, and people living outside metropolitan areas.

**Application Deadline: September 8, 2023**

**Notice of Special Interest (NOSI) Hearing Healthcare for Adults: Improving Access and Affordability**

Notice of Special Interest for research to improve access and affordability of hearing healthcare (HHC) in adults, which includes research addressing rural health issues potentially affecting HHC utilization and the unique HHC needs of rural populations.
Application Deadline: January 7, 2024

**Notice of Special Interest (NOSI): Telehealth in Cancer Care**

Notice of Special Interest for research on the use of telehealth in cancer-related care, with a focus on populations that experience inequities in access to care and have worse cancer outcomes compared to the general population.

Application Deadline: March 8, 2024

**Technology Development to Reduce Health Disparities (R01 Clinical Trial Optional)**

Funding to develop and translate medical technologies aimed at reducing disparities in healthcare access and health outcomes. Medical technologies should be effective, affordable, culturally acceptable, and deliverable to those who need them. Priority health disparity populations include racial and ethnic minorities, socioeconomically disadvantaged individuals, sexual and gender minorities, and medically underserved populations in rural and urban areas.

Application Deadline: May 2, 2024

**Notice of Special Interest (NOSI): Research on the Impact of the COVID-19 Pandemic and Risks for Abuse and Injury Among Vulnerable Children and Youth**

Notice of Special Interest to fund research on the impact of the COVID-19 pandemic and risks for abuse and injury among vulnerable children and youth. Emphasis is placed on disparity populations related to abuse and neglect prior to the pandemic, as well as populations that have been disproportionately affected by the coronavirus. Disparity populations include American Indians, Alaska Natives, LGBT youth, and children seen at rural emergency departments.

Application Deadline: May 31, 2024

**Notice of Special Interest (NOSI): Dissemination and Implementation Research to Advance Mental, Emotional, and Behavioral Health Preventive Interventions in School Settings**

Notice of Special Interest for dissemination and implementation research to support innovative approaches to overcoming barriers to the adoption, adaptation, integration, scale-up, and sustainability of evidence-based interventions to support children's mental,
emotional, and behavioral health in school settings. Health disparity populations, including individuals living in rural areas, are a priority.

Application Deadline: June 5, 2024

Notice of Special Interest (NOSI): Telehealth Strategies for Individuals with HIV and Substance Use Disorders

Notice of Special Interest for research to explore and develop telehealth methods and strategies for diagnosis, prevention, treatment, and population analysis in individuals living with HIV and substance use disorder.

Application Deadline: September 7, 2024

Comprehensive Care for Adults with Type 2 Diabetes Mellitus from Populations with Health Disparities (R01 Clinical Trial Optional)

Funding for research focused on developing and testing strategies that adapt/implement recommended guidelines of comprehensive clinical care for individuals with Type 2 diabetes from health disparity populations.

Application Deadline: September 7, 2024

Effectiveness of Implementing Sustainable Evidence-Based Mental Health Practices in Low-Resource Settings to Achieve Mental Health Equity for Traditionally Underserved Populations (R01)

Grants for research to develop and test the effectiveness of strategies for implementation and sustainable delivery of evidence-based mental health treatments and services to improve mental health outcomes for underserved populations in under-resourced settings. Under-resourced settings and populations include members of minority groups, other individuals experiencing disparities in mental health outcomes, and people living in a geographic area with a shortage of healthcare services.

Application Deadline: September 7, 2024

Notice of Special Interest (NOSI): Telehealth Strategies for Individuals with HIV and Substance Use Disorders

Notice of Special Interest for research to explore and develop telehealth methods and strategies for diagnosis, prevention, treatment, and population analysis in individuals living with HIV and substance use disorder.

Application Deadline: September 7, 2024
Effectiveness of Implementing Sustainable Evidence-Based Mental Health Practices in Low-Resource Settings to Achieve Mental Health Equity for Traditionally Underserved Populations (R01)

Grants for research to develop and test the effectiveness of strategies for implementation and sustainable delivery of evidence-based mental health treatments and services to improve mental health outcomes for underserved populations in under-resourced settings. Under-resourced settings and populations include members of minority groups, other individuals experiencing disparities in mental health outcomes, and people living in a geographic area with a shortage of healthcare services.

Application Deadline: September 7, 2024

Innovative Mental Health Services Research Not Involving Clinical Trials

Funding for innovative research that will inform and support the delivery of high-quality, continuously improving mental health services to benefit individuals with, or at risk for developing, a mental illness. Research on innovative service delivery models that seek to reduce disparities in service access, quality, and outcomes for racial and ethnic minority groups, individuals limited by language or cultural barriers, sexual and gender minorities, individuals living in rural areas, socioeconomically disadvantaged persons, and other underserved groups is encouraged.

Application Deadline: September 7, 2024

Health Care Models for Persons with Multiple Chronic Conditions from Populations that Experience Health Disparities: Advancing Health Care towards Health Equity (R01 - Clinical Trials Optional)

Funding for research to study the effective adaptation, integration, and implementation of recommended guidelines of care of persons with multiple chronic conditions from populations that experience health disparities.

Application Deadline: September 7, 2024

Innovative Mental Health Services Research Not Involving Clinical Trials (R01)

Funding for innovative research that will inform and support the delivery of high-quality, continuously improving mental health services to benefit individuals with, or at risk for developing, a mental illness. Research on innovative service delivery models that seek to reduce disparities in service access, quality, and outcomes for racial and ethnic minority groups, individuals limited by language or cultural barriers, sexual and gender minorities,
individuals living in rural areas, socioeconomically disadvantaged persons, and other underserved groups is encouraged.

**Application Deadline: September 7, 2024**

**The Role of Work in Health Disparities in the U.S. (R01 Clinical Trials Optional)**

Grants for innovative population-based research in how work or occupation influences health outcomes and health status among health disparity populations and how work functions as a social determinant of health.

**Application Deadline: September 8, 2024**

**Notice of Special Interest (NOSI): Social, Behavioral, and Economic Impact of COVID-19 in Underserved and Vulnerable Populations**

Notice of Special Interest for research in understanding the response to the COVID-19 pandemic to help prepare more effectively for future public health emergencies. Populations that experience health disparities are a particular focus.

**Application Deadline: September 8, 2024**

**The Role of Work in Health Disparities in the U.S. (R01 Clinical Trials Optional)**

Grants for innovative population-based research in how work or occupation influences health outcomes and health status among health care disparity populations and how work functions as a social determinant of health.

**Application Deadline: September 8, 2024**

**Notice of Special Interest (NOSI): Disparities Affecting Healthcare Utilization and Health Outcomes Among Childhood Cancer Survivors**

Notice of Special Interest for research to understand and address the full spectrum of factors that contribute to disparities in survivorship care, healthcare utilization, and health outcomes among childhood cancer survivors. Proposed projects must Include populations commonly experiencing disparities based on race or ethnicity, sex, sexual or gender minority status, insurance status, rural residence, socioeconomic disadvantage, or other demonstrated differences.

**Application Deadline: October 9, 2024**
Leveraging Health Information Technology (Health IT) to Address Minority Health and Health Disparities (R01 Clinical Trial Optional)

Grants for research that examines how health information technology adoption impacts minority health and health disparity populations in access to care, quality of care, patient engagement, and health outcomes.

Application Deadline: May 7, 2025

Notice of Special Interest (NOSI): Research Using Implementation Science to Support the Delivery of Evidence-Based Practices in Community-Based Mental or General Medical Healthcare Settings

Notice of Special Interest for mental health services and implementation research to support the adoption and sustainability of evidence-based practices in community-based settings that deliver care to people with mental illness. Health disparity populations, including individuals living in rural areas, are a priority.

Application Deadline: May 8, 2025

Notice of Special Interest (NOSI): Implementation Science to Advance Maternal Health and Maternal Health Equity for the IMPROVE Initiative

Notice of Special Interest for research to address health disparities associated with pregnancy-related and pregnancy-associated morbidity and mortality. Populations of focus include American Indians, Alaska Natives, Native Hawaiians, other Pacific Islanders, and underserved rural populations, among others.

Application Deadline: May 8, 2025

Stand Down Grants

Provides funding for events that offer homeless veteran populations a variety of social services designed to help them to reintegrate into their communities, such as housing, healthcare, and employment opportunities.

Application Deadline: September 30, 2025

For ongoing funding opportunities, visit our website

Virginia Rural Health Association
1872 Pratt Drive, Suite 1125
