

Rural Health Workforce

The RTT Collaborative

1. Attend an annual meeting – April 10-12, 2024, Asheville, NC
2. Complete a TREES community asset and capacity inventory for your community
<https://rttcollaborative.net/about/tools-and-assistance/>
3. Seek consultation and technical assistance in the design, implementation, and sustaining of rural training programs – for physicians, nursing practitioners, physician assistants, and others

Growing our own...together
